NOTE OUR TERMS

All seeds are quoted F.O.B. our Warehouse, Los Angeles, California. Sixty days acceptance net, less 1% cash, thirty days to firms of established credit. New crop seed shipped as soon as possible after harvest of crop 1963.

New customers must furnish satisfactory credit references if shipment is desired on an open account basis.

All invoices payable in U.S. dollars in or by New York or Los Angeles exchange.

Overdue accounts are subject to sight draft without further notice, and ½% interest charges per month.

Bags and shipping containers extra at market value and not returnable.

For every order that we shall accept, we agree to plant sufficient land to produce the desired quantity of seed under normal conditions. Should the outcome of the crop be lower than our estimation, orders will be filled pro rata only. Crop failure or any other cause beyond our control releases us entirely from delivery.

Notice to the Buyer: READ THIS STATEMENT BEFORE OPENING CONTAINER. Subject to the limitation of liability herein set forth, we warrant that the seeds or bulbs sold are as described on the container, within recognized tolerances. OUR LIABILITY ON THIS WARRANTY IS LIMITED IN AMOUNT TO THE PURCHASE PRICE OF THE SEEDS OR BULBS. In no event shall we be liable for the crop, or for any loss due to negligence or resulting from the failure, impairment or quality of the crop or varietal variance therein, whether such loss results from breach of the foregoing warranty, from breach of any other provision of the buyer's contract for the purchase of said seeds or bulbs, or from any other cause. Seeds or bulbs not accepted on the basis of the foregoing conditions of sale must be returned within 10 days in original unopened containers and the purchase price will be refunded.

For prices on less than 1 lb. quantities, you should refer to our general catalog.

Please refer to our general catalog for prices and information on our EVERFRESH Supersealed packaging of conditioned seed.

MINIMUM CHARGE PER ITEM
— 50 CENTS —

Shipping instructions should accompany each order, stating clearly whether seeds are to be sent Ocean Freight, Rail Freight, Truck Freight, Express, Mail or by Air, giving preferred routes. In all cases where the route is left to our judgment, we will select the best we know, but entirely at the risk of the buyer. Should fulfillment of any order or contract be prevented or delayed by the act of God, war, blockade, revolution, prohibition of exports or imports, riots, strikes, lockouts, fire loss and/or detention at sea or any other contingency beyond our control, we shall not be responsible for any loss and/or damage thereby.

We reserve the right to change prices in this list at any time.
